

Building Contractor Wanted!

Brisbane Sporting Clays Association Incorporated (BSC) has received approvals to construct a new clubroom, adjoining its current clubroom at 296 Mount Petrie Road, Belmont 4153.

BSC is seeking a suitably experienced, licensed and insured builder to complete the project.

BSC is seeking a fixed price contract, with provisional costs itemised. The contract is to be either a standard Housing Industry Association (HIA) Commercial Contract, or a Master Builders Queensland Contract.

Builders wishing to apply will need to provide the following:

- Building licence
- Insurance certificates + confirmation of QLeave insurance
- Estimated start dates, and construction period to completion
- Two references (incl. contact details)
- Details of two jobs of comparable scope over the last two years, such as new house builds, major domestic renovations, commercial constructions etc.

Note: Plans available to commence within the next two weeks, early commencement favourable.

Site visits can be carried out on Fridays or Saturdays between 11am-4pm, or via appointment through the BSC Secretary (email below).

For more information, to receive a specifications sheet or drawings, or supply information – please email the BSC Secretary by using the form provided.
